

We
Decarbonistas
include everyone
and flirt with novelty.

Celebrate new ideas and enjoy gathering
community. **Respect and embrace each other as is,
to harness our energy to reduce our personal emissions.**

We believe sustainability is possible because we are here.
We are learners. We're guided by impactful actions not just
words. **We aim to make the largest reductions first, and
acknowledge that every step to reduce ghg emissions
matters.** We're grateful for every effort and progress
made, we support each other and we're
here for you when you are ready.

**Together, we are the
#climatesolution**
